NON-GRADED IN FABRIC SELECTION

If non-graded in fabrics are needed for a project, please select from the fabrics offered by our preferred partners, Camira and Gabriel. Our partners have multiple additional options to choose from and we recommend these options prior to utilizing customers own material. If a non-graded in fabric is selected, please contact Customer Success to confirm availability, use, lead time prior and pricing prior to moving forward.

CUSTOMERS OWN MATERIAL (COM)

Customer Own Materials must be tested and approved. Contact Customer Success for information on using COM's at sales@thinkspaceoffice.com.

WARRANTY

The Thinkspace warranty applies to products sold by Thinkspace, including those manufactured by our strategic partners around the world. The warranty covers defects in materials for 3 years and 2 years for electrical parts from the invoice date of the order. Thinkspace will work with distributors to repair or replace defective products or parts during the warranty period. The warranty does not cover damage incurred during transportation, installation, or normal wear and tear. Claims must be submitted immediately following the discovery of the manufacturing issue.

Warranty does not cover variations in color, grain, or texture of wood and textiles, normal aging and wear of textiles, filling materials and finishes, textile color matching, fastness of colors or wearing qualities of any material, differences in textile color due to supplier dye lot differences on large orders, labor and service not covered under warranty, damage caused by transportation companies, freight or other shipping charges on returned product or parts, and other excluded items listed in the full warranty statement. Labor is not covered by this warranty and is the responsibility of the service provider.

CLAIMS

To process a warranty claim, contact your sales representative or the Thinkspace Customer Success Team at sales@thinkspaceoffice.com.

Claims must be made within 5 business days after delivery, and the purchaser must provide invoice and purchase order numbers, pictures or videos of the product in question before installation, details on when the defect was discovered, ship to address, and point of contact for replacement parts. If the purchaser fails to notify Thinkspace within 5 business days, they will lose the opportunity to have defective parts replaced under warranty. Dealers should check for concealed damages after delivery to the warehouse and report any claims within 5 business days.

FREIGHT

US Domestic freight pricing is based on standard dock delivery per delivery address.

Additional charges apply for special requirements, including, but not limited to a lift gate, pallet jack, residential deliveries.
